Case No. PGR2027-00001

U.S. Patent No. 12,518,882

DECLARATION OF KAMRAN ABBASI

I, Kamran Abbasi, hereby declare as follows:

1. I am the Editor in Chief of The BMJ and I am employed by BMJ Publishing Group Limited (“BMJ”). I have held this position since 2021. Prior to that, I had been Executive Editor of The BMJ since 2014.
2. I make this declaration based on my personal knowledge and information contained in the business records of BMJ.
3. As part of its ordinary course of business, BMJ publishes and makes available journal articles in over 60 academic journals including The BMJ, its flagship journal, and BMJ Open. BMJ Open is an online, open access journal, dedicated to publishing medical research from all disciplines and therapeutic areas. Publications in BMJ Open are made available for public download via the web: <https://bmjopen.bmj.com/>. The BMJ Open website includes a search feature that allows the public to search for articles using multiple criteria, including term, keyword, author, title, citation, publication date, and bibliography.
4. It is the regular practice of BMJ to publish articles and make them available through BMJ Open. BMJ maintains the published articles on its journal websites in the ordinary course of its regularly conducted activities.

5. Exhibit 1013 is J MacRae et al., “Accessing primary care Big Data: the development of a software algorithm to explore the rich content of consultation records,” BMJ Open 2015.

6. Exhibit 1013 is accessible and downloadable as a PDF through BMJ Open via the following URL, where it is maintained in the ordinary course of business and is accessible to the public:

<https://bmjopen.bmj.com/content/5/8/e008160>. Exhibit 1046 is a true and correct copy of this webpage.

7. According to the face of Exhibit 1013 and the “Article info” on the BMJ Open website (<https://bmjopen.bmj.com/content/5/8/e008160.info>), Exhibit 1013 was received on March 10, 2015, revised on July 3, 2015, was first published on August 21, 2015 and the online issue publication date was October 25, 2017. Exhibit 1047 is true and correct copy of the Article info page on the BMJ Open website. Exhibit 1013 has been continuously and freely available to the public through the BMJ Open Website since at least 2017.

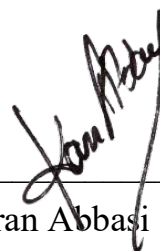

8. Exhibit 1048 is true and correct copy of the Article metrics for Ex. 1013, which is available from the following URL:

<https://bmjopen.bmj.com/content/5/8/e008160.altmetrics>. These records are generated automatically when users access the article and are kept in the ordinary course of BMJ’s regularly conducted business.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
